

Accuro EMR for Aesthetic Clinics

Accuro addresses each specialty through configurability and practicality. [Accuro EMR](#) was designed with solutions that can be tailored to the unique workflow of an Aesthetic Clinic. These solutions are meant to help busy clinics save time.

With [Accuro EMR](#), Aesthetic Clinics can:

- Upload digital before and after photographs
- Submit electronically WCB Billing and Form 8/11
- Access virtual patient charts within seconds
- Employ private & 3rd party billing including PST/GST automation
- Complete consult letters quickly with customizable templates
- Utilize electronic registration forms
- Customize reports to meet their specific needs
- Save referral letters directly to the chart
- Use built-in surgical and procedural wait list
- File documents electronically

[Accuro EMR](#) offers a database of 500+ electronic forms used by physicians on the system for you to use to automate your collection of clinical data.

Create your own forms that will automatically include patient and physician information. You can customize data entry by setting up electronic check boxes, drop-down lists, and or text boxes. You will be able to draw, type, voice dictate, or handwrite the responses onto these personalized forms.

[Accuro EMR](#) allows you to automatically and securely attach your clinical notes to the patient's virtual chart.

Please contact Optimed at [1.866.454.4681](tel:1.866.454.4681) to find out more information about how Accuro can enhance your specialist workflow and to receive our reference list of other physicians in your field.
