

CliniBill

Easy electronic billing at your fingertips

CliniBill is a secure web-based electronic claims submission application designed for healthcare practitioners and clinic administrators. With its e-Billing capabilities and features designed with practicality, ease-of-use, and accuracy in mind, CliniBill is the perfect solution for clinics and individual medical practitioners. Clinisys e-Billing is currently available in select Canadian provinces – specifically, Alberta, British Columbia and Ontario.

See more about Clinisys' e-Billing application at our website, www.clinisys.ca.
