

WHAT OUR CUSTOMERS SAY ABOUT US

“We chose Basic IT Solutions as our IT support group because of their reputation for **prompt, skilled and professional service**. With Basic IT Solutions taking care of our computer service and data protection needs, we have been able to **concentrate on our strengths** in our own business environment. This is a partnership that we *value*.”

-Leanne Kennedy
Finance Manager, Pharmasave Drugs Pacific Ltd.

“If we have computer or server issues that we are not able to handle, Basic IT Solutions is there to **take control of the situation** and we are able to **get answers and service without delay**. When calling Basic IT Solutions, we get to talk to **real people** that help us in a professional and courteous manner.”

-Michelle Buchan
Office Manager, Travelhome

“Basic IT Solutions has been one of our main IT suppliers for over 8 years. We have always received **fast, reliable service and competitive pricing**. We look forward to a continued relationship with Basic IT Solutions.”

-Doug Joinson
Manager of Communications and Information Services, Fraser Valley Regional District

“Basic IT Solutions has been our partner for more than 10 years, providing IT support that we have **consistently been able to rely on**. This has allowed us to focus on the other key strategies of our business plan.”

-Kevin Richardson
Director of Finance, Echelon Home Products

“Prior to being referred to Basic IT Solutions, we went through several vendors who proved to be less reliable. Basic IT Solutions always provides us with **great service** and has become a **cost effective** extension to our IT department.”

-Clayton Chalifour
IT Manager, Pacific Academy

“We have been using Basic IT Solutions for all of our computer and networking needs for almost 20 years. They have always been **prompt and professional** when needed and we have recommended their services to many of our clients. I am looking forward to many more years of **trusted service**.”

-John Bowling
Senior Accountant, Schmidt Berg & Company

“When I want service **NOW**, Basic IT Solutions **delivers**. That’s why we have trusted them to meet our information technology needs for **14 years**.”

-Hanif Damani
Network Admin, Dominion Construction

“We **rely** on Basic IT Solutions to support our internal IT department and they consistently demonstrate **expertise, competence, skill and responsiveness**. Basic IT Solutions provides an **indispensable service** that has **increased the reliability and availability of IT infrastructure and services** within our company. I have **complete confidence** in recommending them as an outsourced IT solution and plan on continuing to use their services into the future.”

-Gordon Grant
IT Manager, Brinkman & Associates Replantation Ltd.
